

## Join the online event for alumni in USA East Coast

Dear WUR alumna/alumnus,

If getting together in-person isn't possible, let's meet virtually!

On Thursday 14 May at 8:00 PM (EST) you are invited to join alumni from both your own city and other parts of USA and Canada as part of a special online event and borrel for our DEAN\* communities in the country.

### **Programme**

The interactive evening programme includes brief updates from the universities, followed by a short talk by TU Delft alumna [Joyce Wong](#). Joyce is user experience designer at Wayfair, an online furniture and home goods company, where she makes the shopping experience easier to use. During her talk Joyce will share how she uses design thinking and empathy to understand her users and discover new business opportunities.

Per tradition, our gathering concludes with a virtual borrel (BYOB) where you and fellow alumni living in Boston, New York, Washington DC, Houston, Toronto and other parts of USA and Canada will be mixed with each other to maximize interactions and stimulate conversations! Make sure to also bring some snacks and drinks for the borrel!

Why are your Alumni Offices organizing this online event?

For alumni who are living outside of their own countries, alumni networks such as DEAN can be extremely useful resources for tapping into fellow alumni for advice and support particularly during crisis periods. The new online event format has been developed to enhance local connections between alumni and is an addition to the existing channel the [LinkedIn Group DEAN USA](#) and [LinkedIn Group DEAN Canada](#) and newly city based WhatsApp Groups.

To join this event register via the button below. Please note that we have a maximum capacity of 100 participants for this activity – if necessary a waiting list will be created. All registrations are taken care of by TU Delft.

[REGISTER](#)

Please also complete the form if you are unable to participate but would still like to be added to a local alumni WhatsApp group in your city.

## Online event USA East Coast

📅 Thursday 14 May 2020

🕒 8.00 PM - 10.00 PM (EST)

📍 Online event
