About Epizone

"New Horizons, New Challenges"

It is a great pleasure to invite you to the 14th EPIZONE Annual Meeting. The meeting will be held from 18-20 May 2022 in Barcelona, Spain, and will be hosted by IRTA-CReSA the Spanish organisation for Animal Health Research.

Focus will be on current research efforts in the field of epizootic animal diseases of livestock a.o. cattle, pigs, poultry, sheep, goats, fish, and horses. Renowned speakers will be chosen to give a broad, up-to-date overview of this rapidly evolving and multi-disciplinary field. Interesting, selected posters and oral presentations, about recent research on the well-known EPIZONE themes including diagnosis, intervention strategies, risk assessment, and surveillance and epidemiology of epizootic diseases, will be part of the scientific programme.

The meeting shall bring together an outstanding and diverse group of researchers to foster scientific Exchange and to establish new contacts or collaborations. Also in Barcelona, the Young EPIZONE core group will organise an interesting and inspiring program for young scientists in the field of epizootic diseases. We are sure that Barcelona, the lively city on the East coast of Spain, with its beautiful Gaudi architectures, will be the perfect place to create a stimulating atmosphere of exciting talks, inspiring discussions, and scientific curiosity.

We are looking forward to welcoming you in Barcelona in May 2022!

Legal notices:

In case some divergence appears in the application or the interpretation of this agreement, the parts undergo, expressly, the courts of the city of Barcelona, renouncing to its own jurisdiction if it was different.

Contract termination:

If, due to circumstances beyond our control, the Congress cannot be held at the aforementioned venue or at any other site, the sponsors will not carry out any legal action against the organisers; the amounts paid on account will be returned to them minus the part corresponding to the general costs generated at the time of cancelling the Congress.

Cancellation of collaborations:

If, due to any circumstances you decide to cancel the collaboration, a 50% will be retained if you inform by mail to the Technical Secretariat before 15th February 2022. No devolution will be done after that date.
