## Nomination Process

Exchange students must be nominated by their home university by 1st April (autumn semester) and 1st October (spring semester). Nominations should be emailed to [studyabroadIN@stir.ac.uk](mailto:studyabroadIN@stir.ac.uk).

## Application Process

The application process is outlined on the 'How To Apply' section of the study abroad website: [www.stir.ac.uk/international/study-abroad-exchange/coming-to-stirling/how-to-apply/](http://www.stir.ac.uk/international/study-abroad-exchange/coming-to-stirling/how-to-apply/)

The application form and supporting documentation must be submitted by email to [studyabroadIN@stir.ac.uk](mailto:studyabroadIN@stir.ac.uk).

## Module Selection and Enrolment

Students are required to select their preferred course modules and include them on the application form. It is helpful for students to select up to six modules, and they will ultimately be enrolled for their preferred three. Three course modules is the standard full-time load for all students. One University of Stirling module is the equivalent of 10 ECTS credits. We are unable to enrol students for more than three modules. Students should select their modules from the study abroad course catalogue: [portal.stir.ac.uk/calendar/calendar.jsp?view=visiting](http://portal.stir.ac.uk/calendar/calendar.jsp?view=visiting)

## Accommodation

University housing is available for incoming study abroad students in selected on and off campus residences. Our off-campus housing options are located a short bus journey from the main campus, and properties are owned and managed by the University. Accommodation is allocated on a first-come first-served basis. Students will be able to apply for accommodation after they have accepted their offer of admission: [www.stir.ac.uk/student-life/accommodation/visiting-students/](http://www.stir.ac.uk/student-life/accommodation/visiting-students/)
