Application Procedures	
. Online Nomination	Partner universities will receive a link for the Online Nomination in
	March and in September. Nomination should include students' full
	name, email address, gender, level and area of studies.
. Online Application	After the nomination, nominated students will receive by email a link for
	the Online Application, where they must fill out a form and upload a
	number of documents (photo, passport, transcript of grades, CV,
	diploma), according to their level of studies.

Academic Information: Bachelor level		
. Full time programs	Business Administration, Economics, Accounting and Actuarial Sciences	
. Bachelor level – Workload	We recommend students to complete 12 USP credits per Semester.	
	Therefore, we consider 1 USP credit equivalent to 2.5 ECTS.	
	Most FEAUSP courses are 2 or 4 credits: one or two classes of around 2	
	hours per week, in a semester of 15 weeks. Few courses are 6 or 8 credits	
. Bachelor level – Course Registration	There are a limited number of spots available in each course, and	
	registration is done on a first come, first served basis. Therefore, we are	
	not able to guarantee that all students will be placed according to their	
	first preferences, and we expect some flexibility on their choice of courses.	
	First year and most second year core courses are usually not	
	available for Exchange Students.	

. Bachelor level – Grading System	Grading system at USP ranges from 0.0 (zero) to 10.0. To pass a course, a student must fulfill two conditions: minimum score of 5.0 and minimum attendance of 70%. Students with grades between 3.0 and 4.9, and minimum attendance of 70% will be able to apply for a reassessment.
. Bachelor level – Final Assessment	Exchange Students must take their exams in the same conditions as regular students. They are not authorized to organize exams individually with their professors. All students are expected to take their exams during the official periods (normally the last two weeks of each semester)

Academic Information: Post-Graduate Level: Ma	aster and Doctoral
. Full time programs	Business Administration (Management, Finance, Human Resources, Marketing, Production & Operations, Quantitative Methods)     Entrepreneurship (Professional Master, only)     Economics (Development Economics, Economic Theory)     Accounting & Controllership
. Post-Graduate level – Workload	Courses are 8 USP credits (semester long) or 4 USP credits (intensive and two-month long). All courses consider contact hours and research time.  We recommend 16 to 24 USP credits per semester.
. Post-Graduate level – Course Registration	Master courses at FEAUSP are centered around research, necessitating significant time commitment to reading, writing, and conducting research. Both Master's and Doctoral students enroll in shared courses. To apply for these courses, prospective students must have completed the first year of Master of Science program (MSc 1) at their home institution by the time of enrollment, or be enrolled in a research-focused Master's or Doctoral program. Essentially, applicants must have completed at least 4 years of higher education and obtained a degree. Given that FEAUSP's Bachelor programs span 4 years, students in their 1st year of a Master of Science program are encouraged to take courses equivalent to the final year (4th) of FEAUSP's Bachelor programs.  At the post-graduate level, professors uphold strict standards regarding attendance and deadlines. They expect students to be motivated participants in class discussions and group work, to diligently engage with assigned readings, and to submit all reports in accordance with their instructions.
. Post-Graduate level – Grading System	Grading system is based on grades: A (excellent), B (good), C (pass) and R (fail). Minimum attendance required to pass a course is 75%
. Post-Graduate level – Final Assessment	Master and Doctoral students are usually required to write an academic article in the end of each course.
Accommodation	We are currently recommending two private Student Residences located near the campus. Information about them is sent directly to nominated students.
Cost of Living	. Accommodation on average: 2,150 BRL (shared), 2,750 BRL (single) monthle. Each meal at the University central restaurant: 2.00 BRL . Each Bus or Metro ride: 4.40 BRL . Free Metro-to-Campus Bus Service with BUSP card . Federal Police fee (mandatory residence permit registration): 204.77 BRL
Language Requirements	
. For courses taught in Portuguese	Recommended levels are A2 for Bachelor and B2 for Master. No certificate is required.
. For courses taught in English	We trust our partners' selection.
. Portuguese Foreign Language Course (taught at USP Language Center)	. Intensive Basic course: 132.00 BRL (one week) . Intermediate and Advanced Courses: 156.00 BRL (three months)
