Housing

Because there is a high demand for student housing in Wageningen, it can be challenging to find a place to stay. As there is a shortage of housing, the number of rooms allocated to exchange students is very limited. In most cases housing is guaranteed for non-EU students because of immigration rules. Unfortunately we cannot offer EU students a student room. We would recommend to register for a room via **www.room.nl**. For more information, check the website of **Idealis**.

Immigration information

For some incoming students, Wageningen University & Research needs to apply for a entry visa (MVV) and/or residence permit (VVR) after admittance; students should not start procedures themselves. The Student Immigration Office of Wageningen University will send the application for entry visa and/or residence permit to the immigration authorities (IND). The dues for this procedure are € 228,- (2024). In the table below you can check which permit(s) are needed.
