Traveling: Insurance & emergencies

We've got you covered while abroad, with 24/7 support from International SOS assistance centers

Pre-travel

Access safety and security information via the International SOS app or website—completely free of charge.

Medical Support

Medical experts provide advice, guide you to the best available care, or arrange medical evacuation if necessary. They coordinate directly with our insurance provider, ensuring coverage without additional costs to you.

Security Assistance

Receive help with lost wallets, travel documents, or navigating natural disasters from security experts.

Personal wellbeing

Psychologists can support your emotional well-being, including loneliness or challenges related to language, gender, or identity issues.

Insurance Coverage

WUR offers insurance for all students traveling as part of their studies, provided travel plans are registered in Osiris.

Requirements: Students must have health insurance equivalent to Dutch coverage. The AON insurance offered to international students is sufficient.

Coverage includes: Personal accidents, medical expenses, repatriation, liability, legal expenses, baggage loss, monetary loss, and rental vehicles.
