Why come to Linköping University for Exchange Studies?

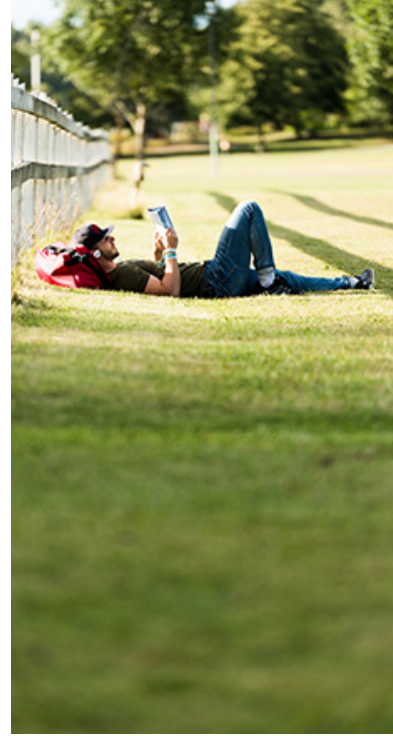

- We offer high quality education. Here you are encouraged to think independently, creatively and critically *
- Courses are taught in English at undergraduate and master's levels. Swedish language and culture courses are on offer.
- LiU offers an active student life: student associations organise activities and trips for exchange students.
- Our housing coordinator assists exchange students with accommodation.
- Enjoy an organised reception upon arrival and meet exchange coordinators as well as fellow students in our orientation programme.
- Linköping and Norrköping are student-friendly cities close to Stockholm that provide easy access to the rest of Europe.
- Sweden is a safe and modern country in northern Europe that has gained a reputation as an innovative and creative force.
- English is spoken by most Swedes. Students find that this prevalence of English makes adapting to their new surroundings much easier.
- Sweden is home to exceptional natural scenery and untouched wilderness. Sweden has been named the most sustainable country in the world for its use of renewable energy and its low carbon dioxide emissions.*
