Description	21

Quantum 1 up to 4

The Quantum rooms are located below the honour gallery. Up to 30 persons can be accommodated in one room, depending on the room set-up. The room is equipped with a monitor, which can be connected wirelessly (USB-C port needed for Clickshare) to a laptop (bring your own). A wired HDMI connection is possible too. There is also VC (soundbar with camera) available which can be connected wirelessly to a laptop, enabling hybrid meetings. Magnetic whiteboards can be found on both sides of the room.

Room capacity per set-up (38 m²)	
See page 23 for a description of the set-ups	
Theatre	30 persons
Great Cabaret	23 persons
Classroom	8 persons
U-shape	12 persons

Momentum

The Momentum rooms are three connectable rooms located on the Mansholtlaan side of the building. The rooms can be used separately, as two connected rooms or as three connected rooms.

Momentum 1, 2 or 3

One Momentum room can accommodate up to 30 persons, depending on the room set-up. The room is equipped with a monitor, which can be connected wirelessly (USB-C port needed for Clickshare) to a laptop (bring your own). A wired HDMI connection is possible too. There is also VC (soundbar with camera) available which can be connected wirelessly, enabling hybrid meetings.

Room capacity per set-up (38 m²)	
See page 23 for a description of the set-ups	
Theatre	30 persons
Small Cabaret	24 persons
Great Cabaret	23 persons
Classroom	8 persons
U-shape	12 persons
Hallow square	14 persons
4 Groups	24 persons
3 Groups	18 persons
8p Blocks	16 persons
Circle	20 persons
AV-equipment	
Screen	Monitor (75 inch)
Computer	Bring along own laptop, connection via HDMI or USB-C
Camera (automatic)	VC bar (soundbar with camera)
Streaming (basic)	VC bar (soundbar with camera)
Magnetic whiteboard	To be added separately

Momentum 2+3

Two connected Momentum rooms can accommodate up to 60 persons, depending on the room set-up. The room is equipped with a projection screen with beamer, to which a laptop can be connected wirelessly. Connection via HDMI/USB-C is also possible. Two wireless microphones are available, one handheld and one headset. There is also a camera in the room and streaming can be done via Microsoft Teams, Zoom or another platform (provide your own software and invitation), through a microphone in the ceiling.

Room capacity per set-up (77 m²)	
See page 23 for a description of the set-ups	
Theatre	60 persons
Small Cabaret	48 persons
Great Cabaret	36 persons
Classroom	20 persons
U-shape	24 persons
Hallow square	28 persons
3 Groups	18 persons
8p Blocks	32 persons
Circle	35 persons
AV-equipment	
Screen	Projection screen (3m x 1,8m) and beamer
Computer	Bring along own laptop, connection via HDMI or USB-C
Microphones (wireless)	1 handheld & 1 headset
Camera (automatic)	Camera (above the projection screen)
Streaming (basic)	Microsoft Teams (via ceiling microphone)
Magnetic whiteboard	To be added separately

Momentum 1+2+3

All three rooms connected can accommodate up to 90 persons, depending on the room set-up. There is a projection screen and beamer, which can be connected to via a laptop with the available HDMI/USB-C connection. There are two microphones available, one handheld and one headset. There is also a camera in the room, and streaming can be done via Microsoft Teams, Zoom or another platform (provide your own software and invitation), through a microphone in the ceiling.

Room capacity per set-up (114 m²) See page 23 for a description of the set-ups	
Theatre	90 persons
Small Cabaret	72 persons
Great Cabaret	60 persons
Classroom	28 persons
U-shape	28 persons
Hallow square	28 persons
3 Groups	18 persons
8p Blocks	50 persons
Circle	60 persons
AV-equipment	
Screen	Projection screen (3m x 1,8m) and beamer
Computer	Bring along own laptop, connection via HDMI or USB-C
Microphones (wireless)	1 handheld & 1 headset
Camera (automatic)	Camera
Streaming (basic)	Microsoft Teams (ambient sound recording)
Magnetic whiteboard	To be added separately

Small Cabaret

Small Cabaret

Spectrum

Spectrum is located next to Faculty Club Novum (restaurant) and offers direct access to it. In this room, there is a large round table that can seat 18 persons. This table can be split into three smaller tables resembling pie pieces, where 10 people can be seated at each table. In the back of the room there is a sofa where 6 persons can sit. There is plenty of natural light and a nice view of the campus. The room is equipped with a monitor, which can be connected to wirelessly but also has an HDMI connection. Furthermore, the room has a camera and VC (soundbar with camera) which allows for a hybrid meeting.

Room capacity per set-up (80 m²) See page 23 for a description of the set-ups	
Round table	18 persons
3 pie pieces	30 persons
Great Cabaret	30 persons
U-shape	12 persons
Hallow square	18 persons
3 Groups	18 persons
Circle	18 persons
AV-equipment	
Screen	Monitor (75 inch)
Computer	Bring along own laptop, connection via HDMI or USB-C
Camera (automatic)	Camera
Streaming (basic)	VC bar (soundbar with camera) wireless connection
Peculiarities	
<ul style="list-style-type: none"> - The large round table can be divided into 3 pie pieces - A high sofa for 6 persons is present in the back of the room - Private dinner possible for a maximum of 30 persons 	

Podium

Podium is the largest room in Omnia. In the room, up to 269 persons can be seated. The room has a U-shaped stand of fixed seats with folding tables on the long side. There are also many power points available in the chair legs. The room has plenty of daylight if the curtains are open. But optionally, this light can be limited or completely darkened, using in-between or blackout curtains. From the control room in Podium, an event can be technically supported upon request. Podium also has a nice foyer area.

Room capacity (340 m²)	
Theatre (fixed chairs)	269 persons
AV-equipment	
Screen	Projection screen (5x3 m)
Computer	Laptop & HDMI/USB connection
Viewing screen	Optionally 1 screen (included)
Microphones	1 lectern microphone
Microphones (wireless)	1 handheld, 3 headsets
Camera (operated)	4 camera's (also cleverly deployable)
Streaming (basic)	Microsoft Teams (ambient sound recording)
Streaming (extensive)	Optional
Podium lights	Spots
Peculiarities	
<ul style="list-style-type: none"> - Control room in the back of the venue (for use by BPR Vision only) - Curtain possibilities for open, in-between, or darkened - Sennheiser Mobile Connect, instead of induction loop 	

Podium Foyer

In the associated foyer of Podium, there is room for catering moments. The foyer has two large buffet tables with space for catering.

Auditorium

The Auditorium can seat up to 108 people on fixed seats. This can be extended to 119 by placing extra chairs. This room is used for orations, promotions and graduation ceremonies, but the room can also be used for other types of meetings with an emphasis on 'sending'. Because of the control unit in the back of the room, an event can be technically supported upon request.

Room capacity (153 m²)	
Theatre (fixed chairs)	108 persons 11 optionally extra chairs
AV-equipment	
Screen	LED wall (3,6x2 m)
Computer	Laptop & HDMI/USB connection
Viewing screen	Optionally 1 screen (included)
Microphones	1 lectern microphone on stand & 4 lectern microphones on both desks
Microphones (wireless)	1 handheld & 2 headsets
Camera (operated)	3 cameras (also cleverly deployable)
Streaming (basic)	Microsoft Teams (ambient sound recording)
Streaming (extensive)	Optionally
Podium lights	Spots
Peculiarities	
<ul style="list-style-type: none"> - Control unit in the back of the room (for use by BPR Vision only) - Acoustics in the room are such that sound amplification, if the room is half full, is unnecessary. - Sennheiser Mobile Connect, instead of induction loop - The 2 desks and the lectern on the podium can be moved to the side if desired 	

Auditorium Foyer

In the associated foyer of the Auditorium there is room for catering moments. The foyer includes a buffet table, two monitors, a sofa and standing tables.

Faculty Club Novum

Faculty Club Novum is the restaurant located in Omnia. The restaurant can seat up to 62 people. There is a monitor and a HDMI & USB connection is available. There are also options for background music and speech amplification (1 wireless lapel microphone and 1 wireless handheld). The restaurant also has an outdoor terrace where one can pleasantly enjoy the sun in nice weather. More information about the restaurant, opening hours and the menu can be found on their website; [Faculty Club Novum](#)
