

ROOMSERVICE

STUDENT ROOM FESTIVAL

THURSDAY 2 NOVEMBER 2023

Grab a cushion, tuck yourself between the bookshelf and a stranger, grab yourself a brew and cosy up for a veritable feast of performances. Storytelling eyes and words that come alive, the power of dance to move you by surprise, music to soothe and music to evoke, ideas to provoke and moments of absurdity; glittery and belly-laughing funny. But - don't get too comfy, as you can hop between different living rooms (transformed into mini-theatres for the festival) to dip your toes into an array of creative performances over the course of just one

Compile your personal RoomService 2023 program by choosing three different performances and buying tickets for each show. Each performance will be available in every round. The festival has three rounds, every round will be 30 minutes.

THANKS

Studium Generale would like to sincerely thank all volunteers, artists and others who contributed to RoomService 2023! A special thanks to the hosts and residents of the houses. They provide the foundations of the festival which, without them, would not be possible and by far not as characteristic as it is now.
