

# ROOMSERVICE 2024

STUDENT ROOM FESTIVAL

THURSDAY 14 NOVEMBER

Grab a cushion, tuck yourself between the bookshelf and a stranger, grab yourself a brew and cosy up for a veritable feast of performances. Storytelling eyes and words that come alive, the power of dance to move you by surprise, music to soothe and music to evoke, ideas to provoke and moments of absurdity; magic and belly-laughing funny. But - don't get too comfy, as you can hop between different living rooms (transformed into mini-theatres for the festival) to dip your toes into an array of creative performances over the course of just one evening.

## CONCEPT

The Roomservice programme consists of three rounds with shows of 30 minutes. Each performance is available in all 3 rounds. You buy a ticket for 3 shows and you can make your own choice of performances. So you compile your personal Roomservice 2024 programme!

- Round 1: 20.00 - 20.30 h
- Round 2: 21.00 - 21.30 h
- Round 3: 22.00 - 22.30 h

In between the three rounds you will have 30 minutes to bike or walk to the next location (see map). We will end the night together with an amazing after party at Café Loburg.

- After party: 23.00 h - closing time

## TICKET PRICES

Ticket for 3 selected shows:  
Students € 6,00  
Non-students € 15,00

Payment by cash or PIN.

By showing your ticket you can also join the afterparty in Loburg (full = full).

## TICKET SALE

Tickets can be bought during lunch break (12.30 - 14.00 h).

- Forum (ground floor, Studium Generale office): 11 - 14 November
- Leeuwenborch: 11 & 12 November

Reservations can be made from 1 November, by ordering your tickets via [info@sg.wur.nl](mailto:info@sg.wur.nl). You can pick them up at the dates and times mentioned above. There is only a limited amount of tickets, so be quick!

## THANKS

Studium Generale would like to sincerely thank all volunteers, artists and others who contributed to Roomservice 2024! A special thanks to the hosts and residents of the houses. They provide the foundations of the festival which, without them, would not be possible and by far not as characteristic as it is now.
