

"Dear Undergraduate Students,

We are pleased to announce that the applications for the "Program for Undergraduate Research 2023-2024 Summer Term", which we organized as Sabancı University, are open now!

Under this program, undergraduate students will be able to contribute to research projects carried out in different fields in the laboratories of Sabancı University professors. We will be organizing the PURE 2023-2024 Summer Session between **8 July and 29 August 2024**.

The projects opened by Sabancı University faculty members and researchers were published on the PURE [website](#). Applications will be between **1st April- 22nd April, 16:00**. We expect undergraduate students from all universities to apply for their preferred projects on our website. For this, it will be sufficient to review the summer term project list on our website and fill out the application form after you become a member of our page. Only online applications will be accepted.

To apply, you can kindly click the [Apply Now](#) button from the pure web page.

Accommodation will be given to students who are accepted for the Summer Term for free. There is NO application fee.

Project works will take place **face to face in Sabancı University Campus. There is NO online option.**

You can kindly check requirements from the [link](#). You have to be undergraduate students to apply.

If you have any questions, you can contact us at pure@sabanciuniv.edu.

For more information please kindly check our [website](#) and follow us on social media!
