WORK EXPERIENCE

INTERN SUSTAINABILITY

03/2020 - 08/2020 | Waternet, Amsterdam

Internship on improving the sustainability of policy decisions

- Analyzed 10 policy decisions of Waternet of the last 5 years and did an evaluation on the practical impact of those decisions. After I came up with suggestions for improvements.

STUDENT ASSISTANT

01/2017 - 07/2017 | Wageningen University & Research, Wageningen

Supported the Environmental Sciences department with several activities:

- Helped organizing two information events for 100 first year students;
- Performed a quantitative research survey among 400 students.

EXTRACURRICULAR EXPERIENCES

PROMOTION MANAGER, BOARD YEAR

12/2020 - Present | Study association Aktief Slip, Wageningen

Responsible for all the promotion for the study association, such as:

- Designing several promotional posters and flyers;
- Organizing 4 promotional campaigns per year.

SECRETARY, SUSTAINABILITY COMMITTEE

09/2016 - 07/2019 | K.S.V. Franciscus Xaverius, Wageningen

Within this committee, I was responsible for all the incoming and outgoing communication, such as:

- The newsletter (send to 800 members each month);
- Writing promotional emails for our events.
