

Can you apply for the travel and/or vaccination/Prophylaxis funding?

- You are a student of BIL, MIL, MID or MDR.
- You didn't used this funding before in the study program (BSc or MSc).
- Your internship or thesis is a compulsory part of your study program and is approved by a supervisor of the WUR.

Additional request for the two parts of the funding:

Travel funding

- You did not receive an additional contribution from the host organization or any other source for travel funding. (*Erasmus+ grant within the EU and Holland Scholarship include travel funding*)

Vaccination/Prophylaxis funding

- Vaccination is [required by GGD for your destination](#).

If you meet the criteria for reimbursement, you can fill out the application form after completing the course and within 4 weeks of the grade entry in Osiris. For details, please check the [regulation](#). Please submit application via ssc@wur.nl.
