	<u>Restrictions</u>			
		ourses are usually not open for enrollment to undergradu	uate exchange students. Courses of	

self-finance programs are not open to exchange students.

2. Computer science courses have high demand at HKUST, thus will be difficult for exchange students to enroll into

our computer science courses. Students are advised to be flexible in choosing their courses.

## Study load

The Fall and Spring terms are each 13 weeks long. One credit generally represents 40-50 learning hours. In general, the minimum credit load is 12 credits (equivalent to three or four courses) and the maximum is 18 credits (equivalent to five or six courses).

Course catalog: https://prog-crs.hkust.edu.hk/ugcourse

#### Important note:

- Each School may have own policy towards course registration and study load. Please observe and abide by the regulations of the hosting School.
- 2. Courses in the Course Catalog are for reference only. Not all courses in the Catalog are offered every term and the course list will be confirmed around 1 month before the start of the term. Exchange students must be flexible with their course choices.

## **Grades & Transcripts**

HKUST adopts a 4-point grading system, with letter grades, with Grade D being a marginal pass. For details of the grading system, please refer to https://registry.hkust.edu.hk/transcript-grading.

Upon program completion, HKUST will produce transcripts in electronic format detailing the courses taken and the grades obtained. The transcripts will be sent to student and the home institution.

Credit transfers are approved by students' home institutions. Students should check with their home institution on its policy regarding the transfer of grades and credits.

#### Accommodation

University accommodation guaranteed subject to application. There are nine on-campus halls and one off-campus hall for undergraduate students. Exchange students can choose between on-campus and off-campus accommodation and will be randomly assigned to a double room in one of these HKUST student halls. Students are not allowed to choose a specific hall or their roommates.

Each room is air-conditioned, and furnished with desks, chairs, bookshelves, beds and mattress (no bedding), wardrobes and a mini-fridge. Common facilities include showers, toilets, common rooms with TVs, pantries, microwaves, telephones, and student card-operated washing machines and tumble dryers. Wired and Wi-Fi internet access are available in the student halls.

#### **Finance**

#### Fees

Under the formal exchange agreement, the tuition fee is waived. Exchange students are required to pay a lump-sum of HK\$15,100 (one term) or HK\$31,100 (year-long) (subject to revision) for covering the following upon acceptance:

- University-provided accommodation
- Student visa application and handling
- HKUST Compulsory Travel Insurance

Notes: The amount will be deducted accordingly if students choose not to live in University accommodation, or do not need a visa to study in Hong Kong.

# Estimated living cost

Living expenses vary depending on your lifestyle choices. Please budget around HK\$25,000 (US\$3,200) per term including transportation, meals, course materials and daily supplies.
