WAGENINGEN UNIVERSITY BSc THESIS AGREEMENT

STATUS OF THE THESIS CONTRACT

- The thesis contract formalises the agreements made between the student and the department. In this sense, it is a further supplementation and elaboration of the rights and obligations that the parties already have based on the Higher Education and Research Act, the Education and Exam Regulations and the student statute.

FILL IN AND SIGN THE CONTRACT

- Before any thesis activities begin, this form must be filled in for all thesis courses by the student and the representative of the department.
- The student and the department representative must each sign two completed forms. Each will receive an original, and a copy will also be sent to the study coordinator.
- After adding to and/or changing the contract, the student will be given a new copy.
